

## PI UK Event Sponsorship Opportunities

While it is not possible to include every member company as a speaker in our free seminar series, we have had many requests from members that would like to participate in other ways. Here are a few ideas, available on a first-come, first-served basis to Supplier, Vendor or Senior members. If you have other ideas, please feel free to make suggestions. It is the responsibility of the sponsor to supply and install/layout/handout the items at the venue on the morning of the event.

- **Table top demo area (approx 2 x 1 mtr) with pullups adjacent or behind**

**Table top exhibitors will also have the opportunity to present a 2 minute overview of their company with accompanying slide at the beginning of the event and provide their logos and a few paragraphs of description for use in the advance promotional material.**

**£100 per position – subject to availability**

- **“Pullups” around the event** – Locations will be made available in the seminar room and refreshments area for pullups. [Click here for more information about suitable pullups](#)  
**£50\* per site**
- **Delegate note pads** – Give the delegates something to write on – preferably with your company logo. Placed one on each delegates’ seat at the beginning of the seminar.  
**£50 – one opportunity per event**
- **Delegate bags** – These will be handed to every delegate as they enter the seminar to place their literature and conference notes in.  
**£50– one opportunity per event**
- **Ball point pen** – To accompany the notepads. This will be placed in the conference and registration areas for every delegate to see and use. Sponsors to supply pens.  
**£50 – one opportunity per event**
- **Lanyards for the name badges** – These will be given to every person who enters the seminar. Sponsor to supply lanyards and badge holders.  
**£50 – one opportunity per event**
- **Inserts into the delegate packs** – Insert your latest leaflet or brochure directly into delegate packs (if available) or onto the delegate seats.  
**£50 per item**

### Notes:
